Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

As previously reported in a Form 12b-25 Notification of Late Filing filed by United States Antimony Corporation (the “Company”) on March 31, 2023 and a Form 8-K filed by the Company on April 17, 2023, the Company is delayed in filing with the Securities and Exchange Commission (the “SEC”) its Annual Report on Form 10-K for the year ended December 31, 2022 (the “Form 10-K”).

On April 18, 2023, United States Antimony Corporation (NYSE: UAMY), a Montana Corporation (the “Company”) received a notification letter (the “NYSE Notice”) from the New York Stock Exchange (the “NYSE”) indicating that, as a result of the Company’s delay in filing its Annual Report on its Form 10-K for the period ended December 31, 2022 (the “Form 10-K”) with the Securities and Exchange Commission (the “SEC”) the Company is not in compliance with the NYSE American’s continued listing requirements under the timely filing criteria established in Section 1007 of the NYSE American Company Guide. The notification has no immediate effect on the listing or trading of the Company’s Common Stock on the NYSE American.

In accordance with the NYSE rules, the Company has contacted the NYSE to discuss the status of the late filing and is issuing this required press release. The NYSE informed the Company that, under NYSE rules, the Company will have until October 17, 2023, to file the 2022 Form 10-K. The NYSE may grant at its sole discretion, an extension of up to six additional months to the Company to regain compliance, depending on specific circumstances.

Notwithstanding the foregoing, the NYSE American may in its sole discretion decide (i) not to afford an issuer any cure period at all or (ii) at any time during any cure period, to truncate the cure period and immediately commence suspension and delisting procedures if the issuer is subject to delisting pursuant to any other provision of the NYSE American Company Guide, including if the NYSE American believes, in its sole discretion, that continued listing and trading of an issuer’s securities on NYSE American is inadvisable or unwarranted in accordance with Sections 1001-1006 thereof.

As the Company reported on its Form 8-K filed with the SEC on April 17, 2023, the Company has been unable to finalize the 2022 Form 10-K as the Company’s third-party independent auditors require additional time to perform audit procedures, complete related testing and review financial statements and other information for the Form 10-K. Management anticipates filing its Form 10-K at the earliest possible date.

Item 8.01. Other Events
